

COVID-19

Keeping our patients and staff safe during the COVID-19 pandemic

We are only seeing patients with an appointment. We may be able to help you over the phone, so give us a call.

Please arrive at the practice alone, if possible, and bring a face covering with you.

If you have COVID-19 symptoms, stay at home. Phone us to let us know and to reschedule your appointment.

High temperature

or

Persistent cough

or

Loss of, or change in taste or smell

=

Our optometrists will wear protective clothing during the sight test.

We are sanitising all surfaces and glasses frames. We are disinfecting the instruments and consulting room between every appointment.

Don't forget to keep your social distance, floor marking and signs are in place to help.
