

THE COLLEGE OF  
OPTOMETRISTS

# Stage Two

Overarching case scenario 101

47 year old taxi driver. Only wears glasses for NV in the evenings. Struggles to see sat nav and speedometer without. Not keen on wearing spectacles full time, would like to try contact lenses.

Hobbies bird watching, walking, reading.  
GH good, no medications. No allergies. Smokes.

Last eye examination 12 months ago.
