Grounds for extension/restart application

A trainee may be able to apply for an extension to your allotted time or to re-start the Scheme for Registration in the following circumstances:

- a) where you are a Disabled Person and – as a result of your disability – you are or will become, unable to pass the Scheme for Registration in the Allotted Time
and/or
- b) where, due to Exceptional Circumstances you are, or will become, unable to pass the Scheme for Registration in the Allotted Time.

Applications should be made from six to three months before your Scheme end date and should include supporting documentary evidence.

How to submit your application

To submit an extension/restart application, go to the [My College](#) area and click on the Extension tab. You will be required to submit any supporting evidence.

Suggested documents

Below is a list of documents that we suggest you provide to enable the Appeals Panel to make a decision on your Appeal. Document 1 is essential; all others are optional but can be very helpful in proving your case and assuring the Panel that you have appropriate ongoing support.

All files must be labelled and dated appropriately and also be up-to-date and relevant to your time on the Scheme. They need to fully support your statement claims. They have to be in either Word or PDF formats.

1. Your statement/letter to the Panel which should include where relevant information on any extenuating circumstances and why they were not flagged before;
2. Employer / Supervisor statement/s on headed, dated, and signed paper;
3. Medical evidence (if applicable);
4. Other types of evidence (i.e., therapy consultations, police report, etc) (if applicable);
5. Please seek advice from education.help@college-optometrists.org before including any photographic evidence.

Your supporting evidence will be anonymised for the Panel to review.

Fee

The administrative fee for each application is £115. This fee is non-refundable. You will be invoiced only after we confirm that your application meets all the requirements and will be seen by the Panel.

Outcome

Your outcome will be sent to you via email within 5 working days after the Panel meeting.
